Overview of Proposed Invitation to Negotiate

ITN Purpose (Section 1.A; p.4)

- Provide snapshot of the current situation relating to services and needs.
- Highlight causes and effects of current and long-term trends of child well-being.
- Inform the decision-making process of CSC Leon.
- Based on proven principles of success:
 - Prevention
 - Resiliency
 - evidence-based and emerging practices with documented effectiveness.

ITN: What will be evaluated

Response Format and Contents (Section 3; p. 9)

- Cover letter (p. 11)
- Respondent Experience, Qualifications and References (pp. 11-12)
- Specialized Expertise (p. 12)
- Service Description (pp. 12-13)
 - Draft SOW (Exhibit I, pp. 19-23)
- Financial Terms

ITN: Priority Areas (Exhibit II, p.24)

- **Success in School and Life**
 - School Readiness
 - School-Age Supports
- **Healthy Children, Youth and Families**
 - Physical Health
 - Mental Health
- **Stable and Nurturing Families and Community**
 - Youth Development
 - Food Stability
 - Housing Stability
 - Supporting and Expanding the Number of Caregivers

ITN: Service Description (p.13)

For Each Priority Area, describe how Respondent will:

- Key Outcomes and Measures
 - **identify** key outcomes that address short-, mid-, and long-term success based on associated measures (Exhibit I.C.1).
- Comprehensive Programs Inventory
 - **perform** each of the seven specified requirements (Exhibit I.C.2)
- Gap Analysis
 - **assess** gaps in service using the two specified parameters (Exhibit 1.C.3).
- Informative Programs Inventory
 - **complete** the inventory (Exhibit 1.C.4)

ITN: Service Description

For Each Priority Area, Respondent will be expected to provide:

- *Expedited Funding Awards*
 - options that will generate immediate, positive impacts on priority areas
 - throughout Leon County
 - in targeted zip codes, school zones, and/or high-poverty census tracts
- *Community Investment Process*
 - options for making short-, mid- and long-term investments that will generate positive impacts on priority areas
 - throughout Leon County
 - in targeted zip codes, school zones, and/or high-poverty census tracts.

ITN: Service Description (additional Items)

- Timeline from start to completion
 - key dates and deliverables, draft and final reports, and updates
- Year/years of annual and cumulative data used in light of COVID
- Community engagement for all neighborhoods, including special outreach in high-poverty census tracts
- Format for presenting the data to ensure ease of understanding and depict geographic distribution of assets and needs.
